

Giovanni Foglietta - Fondatore di Stereomood

Giovanni Foglietta graduated in Business Administration from the Luiss university of Rome in 2007. After a 4 years experience acting as manager in the Ernst&Young Corporate Finance practice he joined the stereomood team in 2012. Giovanni has a solid experience in financial due diligence, valuation and m&a, he's always been interested in the startup world and is very passionate about music and innovation.

Stereomood

Stereomood is a streaming radio service that delivers you the music that best suits your mood. Through a social aggregation system, we organize and stream music playlists that are collected around moods socially created by the stereomood users (e.g., happy, relax, dreamy...). stereomood.com was launched in March 2009 and currently has over 1M monthly unique users.
