LEADERSEL - P.M.I. H.D., a sub-fund of LEADERSEL

Class B (Accumulation) LU1132340321

This Fund is managed by Ersel Gestion Internationale S.A.

Objectives and investment policy

This Fund is actively managed and invests mainly in equity shares of Italian corporations or companies resident in Italy, in Euro or foreign currency. The Fund has no reference Benchmark.

The Fund may invest in shares of companies in any industry, whether high or medium-to-low cap. The Fund may also invest in money market instruments and bonds under certain conditions.

The Fund shall invest at least 70% of the portfolio in financial instruments (equities and/or bonds, it being understood that for the portion invested in bonds the above mentioned limit of 30% shall apply) issued by, or entered into with companies, which are resident in Italy, or in EU or EEA Member State and have a permanent establishment in Italy. At least 30% of these financial instruments, shall be issued by companies which are not listed in the FTSE MIB index or in any other equivalent indices.

The Fund cannot invest more than 10% of the portfolio in financial instruments issued by, or entered into with the same company, or companies belonging to the same group or in cash unless held with the custodian bank of the Fund.

The Fund cannot invest in financial instruments issued by companies which are not resident in countries that allow an adequate exchange of information with Italy.

The Fund may invest up to 10% of its net assets in Undertakings for Collective Investments in Transferable Securities (UCITS) or other Undertakings for Collective Investment (UCI). The Fund may use financial techniques and instruments in order to hedge the portfolio exposure. The Fund may deviate from the composition of the benchmark.

The Fund may hedge market risk on the basis of quantitative signals generated by market indicators. Quantitative signals are designed to infer from market behaviour the level of market risk hedging needed in the Fund (absent, partial or total). Hedging will be implemented by means of eligible index futures.

Recommendation: this Fund may not be appropriate for investors who plan to withdraw their money within 7 years.

Any income received by the Fund is reinvested.

The Fund's value is calculated and expressed in Euros.
