

Key investor information

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

LEADERSEL - EMERGING MARKET MULTIMANAGER, a sub-fund of LEADERSEL (Accumulation) LU0229830756

This Fund is managed by Ersel Gestion Internationale S.A.

Objectives and investment policy

This Fund is actively managed and aims to maximise the invested capital. The Fund does not aim to replicate the composition of the Benchmark: 95% MSCI Emerging Market Index and 5% Merrill Lynch Euro Government Bill Index. The Fund also invests in securities which are not included in the indices or present in different proportions.

Degree of discretion with respect to the Benchmark: significant.

In order to achieve the above said aims the Fund invests mainly in Undertakings for Collective Investments in Transferable Securities (UCITS) and/or other Undertakings for Collective Investments (UCIs), with a policy of investing mainly in a widely diversified portfolio of shares from emerging countries.

In order to achieve the above aims the Fund can use derivatives not only for hedging purposes.

The Fund's investment decisions are made on a discretionary basis.

Any income received by the Fund is reinvested.

The Fund's value is calculated and expressed in Euros.

Investors can buy or sell shares of the Fund on a weekly basis, each Friday, or next full banking day.

Risk and reward profile

This indicator represents the annual historical volatility of the Fund over a 5-year period.

Risk Category 6 reflects very high potential gains and/or losses for the portfolio. This is due to investments in mutual funds that invest in emerging market equities.

Historical data such as that used to calculate the synthetic indicator cannot be considered as a reliable indication of the Fund's future risk profile.

The risk category associated with the Fund is not guaranteed and may change over time.

The lowest risk category does not mean "risk free".

Your initial investment is not guaranteed.

Significant risk(s) for the Fund not taken into account in this indicator include the following:

Emerging market risk: The Fund invests in developing overseas markets which carry a higher risk than investing in larger established markets. Investments in emerging markets are likely to experience greater rises and falls in value and may suffer trading problems.

Currency risk: The Fund invests in overseas markets. It can be affected by changes in exchange rates which may cause the value of your investment to decrease or increase.

Charges

The charges and commissions are used to cover the Fund's operating costs, including marketing and distribution of shares. These charges reduce the potential growth of your investment.

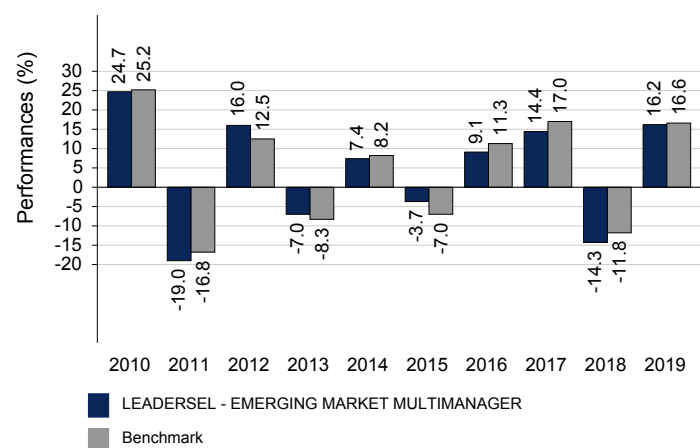

One-off charges taken before or after you invest
